Scene attended by multiple patrols and male detained running from scene injuries initially thought to be serious however after examination by medical staff it is a lacerations to the side of one males head and swelling to the side of another. The male with the laceration was down to the bone however deemed not to be life-changing and required cleaning and believed a suturing to heal properly without risk of infection. Ambulance staff deemed this male to not have capacity and he was taken to hospital despite him not wanting to go for treatment. Both males have at this stage refused to provide statements. CCTV enquiries will have to be undertaken by early turn due to the time of police attendance and follow up statements to be obtained prior to the interview of the arrested male. Clothing seized from the offender and other items seized from the scene booked into ERP. It is believed that several males were ejected from Flamingos and one or more of these males are the offenders for the throwing of the bricks and stones. further enquiries to be made and caseman to be opened.

The victim arrives at Blackpool Central Police Station to report having been glassed and his mobile phone being missing before being taken to BVH by police. [REDACTED] is still drunk and is assuming he was glassed but has no evidence of this what so ever. [REDACTED] states he left FLAMINGOES about 5:40 am. He remembers speaking with KELLY (Security) at KAOS and then helping a girl into a taxi outside FUNNYBOYZ takeaway on DICKSON RD. [REDACTED] then remembers being outside WALKABOUT and being helped up off the floor by a male and female. HAYNES remembers going to CENTRAL PIER and then coming to the police station. His mobile phone is missing but his wallet is still in his possession containing £100 cash. He does not know if he has lost his phone or it had been stolen at this stage. He has a 1cm cut to his head which has been glued. [REDACTED] is described as a white male approximately 5 10 with short light brown hair wearing a grey/green tracksuit top dark blue jeans and grey boots. His mobile phone is a black Samsung Note 3 with a clear cover tel number is [REDACTED] and currently goes to voicemail. He states he had 30 percent battery life left

when at FLAMINGOES. [REDACTED] top seized. After having provided a statement [REDACTED] now remembers having a verbal altercation with a taxi driver in a bomber outside MA KELLY'S. [REDACTED] states he wanted the taxi driver to take the drunk girl home he was trying to help outside the takeaway. The taxi driver refused and [REDACTED] kicked the front passenger tyre. His last recollection is the taxi driver getting out of the vehicle and then he was assisted to his feet. [REDACTED] injury has been photographed. CCTV enquiries will be completed in the area of DICKSON ROAD QUEEN STREET and TALBOT ROAD BLACKPOOL.

Statement of: Police Inspector 410 James MARTIN

Age if under 18: over 18 (if over 18 insert 'over 18') Occupation: Police Officer 410

This statement (consisting of 1 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature:..... (witness) Date: 28/05/18

This statement concerns a meeting that I chaired, in company with Mr Basil NEWBY and MR Dean BENNETT, both of whom are connected to Flamingo's, Buzz and Funny Girls Nightclubs, at 1400hrs on Tuesday 22nd May 2018, at Garstang Police, Garstang.

Also present was Heather Crawshaw, Police Licensing Administrator.

The purpose of this meet was to offer a discussion with regards the recently declined Temporary Event Notices, submitted for Buzz Nightclub, Flamingo Nightclub and Funny Girls Nightclub.

I can confirm that during this meeting I outlined the recently objected too Temporary Events Notices and the reasons for this.

I confirmed that I was aware of the Licensing Act 2003 s.182 Guidance concerning Temporary Event Notice refusals and that it is best practice for Police to offer opportunities for mediation talks and review offers by Premises Licence Holders and Designated Premise Supervisors to update submissions to best uphold the Licensing Act objectives.

During this discussion, I asked Mr Newby, as Premises Licence Holder, if he was willing to offer any Conditions for his submissions for Temp Event Notices that would allay any concerns the Police had with regards the Crime and Disorder Licensing Act objective.

Mr Newby confirmed to me that he was unwilling to offer any conditions in such circumstances and wanted to take the matter to the Licensing Committee for their determination.

Due to this refusal, I have not offered any other alteration or counter-offer concerning the Temporary Events as offered.

Police are still of the conclusion that the TEN as submitted will undermine the Licensing Act Objective of Prevention of Crime and Disorder.
