<b>Scrutiny Review Work</b>	
9 September 2019	<i>Renal Dialysis Service Reconfiguration discussion. Outcomes from finalised reconfiguration to be received in early 2020.</i>
8 October 2019	<i>Head and Neck and Vascular Services and Stroke Improvement. Further update to be held in February 2020.</i>
19 November 2019	<i>Task and Finish Scrutiny review of Healthy Weight.</i>
26 November 2019	<i>Input into policy development of Drug and Alcohol Strategies.</i>
TBC 2020	Input into <b>Integrated Care Partnership Strategy</b> development.

2 March 2020	<b>Children and Adolescent Mental Health Services Redesign.</b> Joint meeting to be held with Children and Young People’s Scrutiny Committee. To determine whether further review is required as per below.
20 April 2020	Scrutiny review of <b>Supported Housing</b> following agreement at the Committee meeting in January 2020.
13 June 2020	Scrutiny review of <b>Drug Related Early Deaths.</b> Numbers have increased in both young and older people that misuse substances. To also look at preventing drug use (uptake of Hope and Wish).
TBC	Scrutiny review of <b>one key theme identified from the ICP five year strategy.</b> Possible items include population health management, health inequalities, planned care and urgent and emergency care.
TBC	Proposed joint piece of work with Children and Young People’s Scrutiny Committee: <b>Child and Adolescent Mental Health</b> to include prevalence, performance of CAMHS, emotional health, looked after children and additional educational needs. Initial meeting to consider service redesign (as above) – further scrutiny work to be identified following the meeting.
