Dear Sir/Madam,

Re:- Application for Renewal of Licence at  
Private Shop, 311, Church Street, B/pool.

I wish to strongly object to the renewal of the above licence on the grounds that shops like these are instrumental in cultivating an obsession with sex.

These shops, along with the proliferation of pornography on the internet, mobile phones etc. have resulted in serious child sexual exploitation on a national scale, the likes of which we have not seen before. The closure of this shop would remove a "boil" from the face of this fine sea-side town, which we should all endeavour to play a part in cleaning up.

To show moral courage and close this shop would not only win the respect of all decent Blackpool citizens, but also be the first step in the right direction to getting rid of ALL these unwholesome establishments.

Blackpool will be all the better for it then, gradually, when we've got rid of the sleaze, families will once again come back for the good, clean fun holidays that Blackpool used to provide.
