Dear Sirs

Application No: 059448

I wish to object to the above numbered application on the grounds of the following:

- The increase in the already increasing anti-social behaviour that this will bring to the area, especially late at night.
- There have already been problems at that shop resulting in more CCTV, the external windows being boarded up and Perspex security screen being installed
- As it is to be situated in a residential area, opening times from 08.00 until 23.00 this will cause more disruption and traffic especially rowdy pedestrians. Many mornings there is vomit on the pavements from people coming home from the pubs etc.
- Within a few metres there is already an off-licence that is well managed. There does not need to be another one so close.
- Within 10 minutes' walk, there are a further 5 shops/garages with off-licences and 3 bars. This is completely excessive for the area.

As a local resident who often has sleep disturbed by increasing anti-social behaviour, this problem is only going to get worse.

I would be grateful if you would take my objections into consideration.

Yours sincerely

Richard Mulroneay (POA)
