I wish to formally retract my objection to the licence application that Mardi Gras Hotel of 41-43 Lord Street has applied for. I now fully support the application as it has been fully explained to me and feel it will benefit the street.

I have no access to email; therefore, I am signing this letter and it will be scanned and emailed on my behalf.

Dear Sir Madam,

I wish to  
withdraw my application of joining  
the "Mardi Gras" licence, they  
have assured me they will  
not be taking in stag & hens  
& will ~~not~~ not be open all  
night so I am giving them  
the benefit of the doubt.

Yours Truly,

V Collings
