

Criteria to Determine Suitability for a Street Trading Consent for the Provision of Donkey Rides on the Seashore.

Applications for consent must include:

- The applicant's details.
- The number of donkeys to be used for the consent
- Details of donkeys (name, passport no, microchip no.)
- Details of the payment that will be requested in connection with the activity.
- Names of other persons associated with the activity.
- Basic DBS certificate less than three months old.
- Certificate of public liability insurance to cover the period of the consent.
- Animal Welfare Licence for the activity of Hiring out of Horses covering the period of consent
- The correct fee.

When deciding whether to grant, refuse or revoke a consent, consideration will be given to the following (this list is not exhaustive):

- Any criminal convictions or cautions.
- Previous complaints regarding the activity.
- Any breach of conditions.
- Instances of plying for trade in a designated place without consent.
