5.0 Background Information

5.1 Scrutiny Workplan

The Committee's Workplan is attached at Appendix 9(a) and was developed following a workplanning workshop with the Committee in July 2020. The Workplan is a flexible document that sets out the work that will be undertaken by the Committee over the course of the year, both through scrutiny review and committee meetings.

Committee Members are invited to suggest topics at any time that might be suitable for scrutiny review through completion of the Scrutiny Review Checklist which is attached at Appendix 9(b). The checklist forms part of the mandatory scrutiny procedure for establishing review panels and must therefore be completed and submitted for consideration by the Committee, prior to a topic being approved for scrutiny.

5.2 Implementation of Recommendations/Actions

The table attached at Appendix 9(c) has been developed to assist the Committee in effectively ensuring that the recommendations made by the Committee are acted upon. The table will be regularly updated and submitted to each Committee meeting.

Members are requested to consider the updates provided in the table and ask follow up questions as appropriate to ensure that all recommendations are implemented.
