<b>Scrutiny Review Work</b>	
TBC November 2020	Scrutiny review of <b>Supported Housing</b> following agreement at the Committee meeting in January 2020.

	Scrutiny review of <b>Drug Related Early Deaths</b> . Numbers have increased in both young and older people that misuse substances. To also look at preventing drug use. Scope to be increased to look at lessons learned during the pandemic
TBC	Scrutiny review of <b>one key theme identified from the ICP five year strategy</b> . Possible items include population health management, health inequalities, planned care and urgent and emergency care.
TBC	Proposed joint piece of work with Children and Young People's Scrutiny Committee:  <b>Child and Adolescent Mental Health</b> to include prevalence, performance of CAMHS, emotional health, looked after children and additional educational needs.  Initial meeting to consider service redesign has been held. Request to come back 12 months after implementation for progress update. Mid 2021?
