Dear Sir / Madam

I do not agree with the Vidella being turned into a sort of minnie night club, the area is full of drugs & drunks & this only adds the spread of more untellinless towards the latter. So to bring Children on holiday, in this area would add to there growing up to think it is a normal way of acting when growing up &

The Council, have said
we are cleaning up
Blackpool, there is already
enough alcohol being sold on
Dickson Rd whether it be
off license or clubs, we
don't need anymore.
we also live at our
Premises & also a lots of
flats around us, a most
weekends & holidays the
Police are at the off
license over the road, so
has you can see, ~~is~~ surely
that another club would
not be good for the area
yours sincerely D Bull
