

Appendix 6a: Application 19/0241 – plans

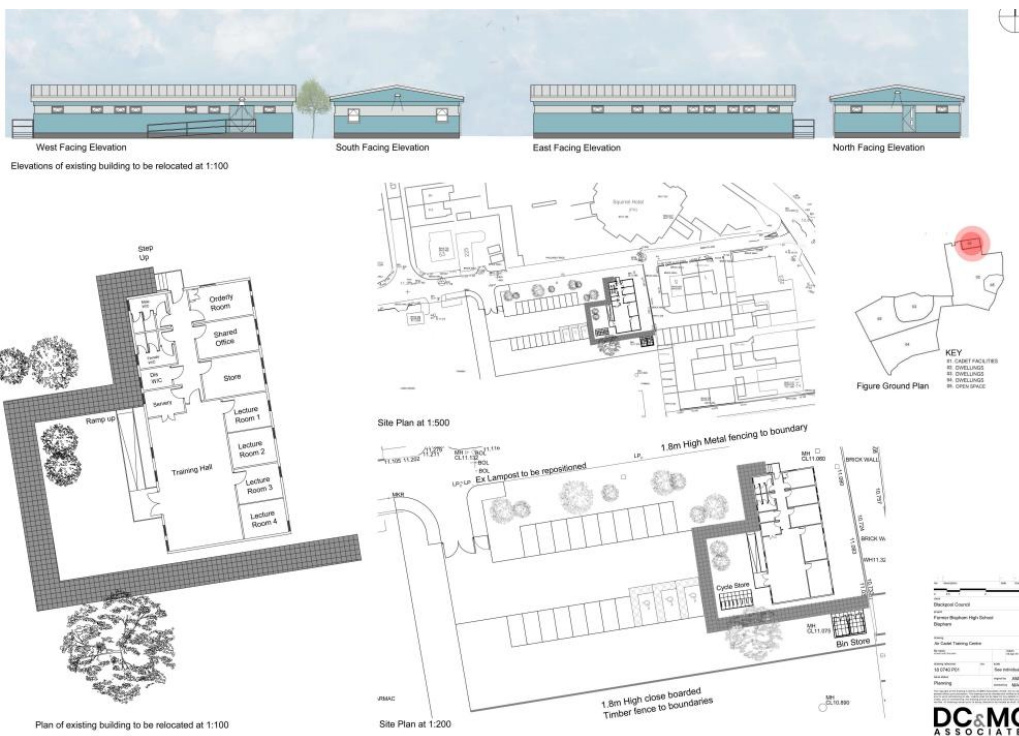

This plan shows the location of the site and the various Local Plan designations that apply to it. Area A is protected Playing Fields and Sports Grounds (BH7) and area B is protected Public Open Space. No planning designations or allocations apply to area C.

This is the parameters plan submitted with the application. The beige areas are intended for housing development and the green areas are intended to be open space. The blue area is the proposed site of the relocated air cadet building.

This layout is ILLUSTRATIVE ONLY. It is a suggestion of how the site could be laid out and intended to demonstrate that the number of houses proposed could be reasonably accommodated on site. Please note that no reference to this plan is made in recommended condition 2.

This plan shows the proposed layout and elevations of the replacement air cadet building. This plan relates to the full element of the proposal and so compliance with it would be secured through recommended condition 25.
