13.1 In line with last year's engagement the Council has undertaken two exercises to seek initial comments and ideas on the Budget, prior to more formal consultation on any proposals leading to significant service impacts or changes. The first was aimed at individual residents and staff, which received 1,629 engagements on Facebook leading to 290 responses (reference Appendix 4 – Resident Budget Engagement), whilst the second was aimed at stakeholder organisations and received 15 (reference Appendix 5 – Stakeholder Budget Engagement). The surveys, which were widely publicised via the Council's social media channels, included questions which asked for opinions about Council priorities and services at a broad level, but also sought comments on ways in which the Council could save or generate money. This year additional questions were included seeking views on the importance of the Climate Emergency and the Council's response to the Covid pandemic in the budget-setting process.

13.2 Consultation with the Trade Unions with regards to staffing issues has been embedded into normal working practices and has also met all formal consultation requirements.

13.3 The Scrutiny Leadership Board considered the key budget pressures, savings required and the budget engagement feedback at its informal meeting on 14 January 2021 and has produced a report attached at Appendix 6 for consideration by the Executive.
