To Whom it may Concern,

I am writing to oppose the late licence etc for the above establishment.

1/ There are enough late drinking venues on Highfield Road inc Highfield Social Club 2 doors away and Winstons opposite also The Farmers Arms a short distance away. In the past we have seen Highfield Road getting busier with people drinking, fighting, drug taking inside and outside of the premises with beer bottles left down neighbouring alley ways.

2/ Noise, although no beer garden (yet!!) this is a residential area and noise from inside the pubs can be heard down neighbouring streets, with windows and doors left open whilst drinking

3/ No parking. This again has a knock on effect on neighbouring streets, with people parking on double yellow lines, pavement etc, if you allow this to happen can we have Resident Parking!!

4/ Food. I think within a short radius there are around 7 late eating venues, again, noise, traffic etc, this seems

more than ample in a small area.

Overall I and my family oppose this sanction along
with other residents of Ash Street

Yours faithfully
