REF. J.D DRINKWATERS LTD
Highway Rom Budywod

To Whom it may concern,

I am writing in reference to the above business regarding the application.

As a local resident, I oppose this due to traffic with no off street parking. This will cause more parking down local streets, mine in particular has a yellow line down one side which is already being abused. Also noise there are already 3 late night drinking venues in this area, Winston, Highfield Social and Farmers Arms, we will be then attracting people from other areas before the lock down Winston was attracting a lot of trouble due to private venues not policing their pubs correctly. Over all with the noise, late bar, attracting more trouble, parking then I oppose this

Yours faithfully

John Ross
