2. Appendix A: Performance & Summary Tables for Quarter One	8
• Internal Audit reports issued in period	8
• Progress with Priority 1 audit recommendations	18
• The Regulation of Investigatory Powers Act 2000	19
• Insurance claims data.....	19
3. Appendix B – Insurance Claim Payments by Financial Year	20

Blackpool Council: Audit and Risk

1. *Quarter One Summary*

Service Developments

1.1 *Internal Audit*

Internal audits that have been scoped in the quarter and/or fieldwork underway include:

Directorate	Internal Audits
Adult Services	<ul style="list-style-type: none">• Vitaline
Chief Executives	<ul style="list-style-type: none">• Employee Health and Wellbeing
Children's Services	<ul style="list-style-type: none">• Early Years Services• School Improvement Strategy
Communication and Regeneration	<ul style="list-style-type: none">• Tourism and Destination Management• Town Deal
Community and Environmental	<ul style="list-style-type: none">• Animal Disease Outbreak Planning• Delivery of Track Maintenance Plan
Corporate	<ul style="list-style-type: none">• Management of Investment Properties• Compliance with Corporate Arrangements
Resources	<ul style="list-style-type: none">• Covid Income Loss Grant Return• Capital Accounting• Budgetary Control• Carbon Emissions• Sundry Debtors

Details of the scope and final outcome for each of the above audits will be reported to Audit Committee in the Audit and Risk quarterly report once the fieldwork has been completed and the draft report agreed.

Progress on delivering the 2021/22 audit plan has been less than expected due to the team currently carrying two vacancies (one permanent and one temporary). Recruitment campaigns are underway however are proving difficult to attract the right candidates to the roles. The impact on the internal audit plan is under continual review by the Head of Audit and Risk and contingency arrangements are being explored to ensure that an adequate level of assurance work is undertaken to enable an Annual Audit Opinion to be provided at the close of 2021/22.

The team participated in the external assessment of its compliance with the Public Sector Internal Audit Standards. The final report from the assessment team will be shared with the Audit Committee once it is ready.

1.2 *Corporate Fraud*

The Senior Counter Fraud Advisor has continued to support the Head of Revenues and Exchequer Services and the Head of Economic and Cultural Services in the administration of various grants available to local businesses who have been impacted by the pandemic which qualify for the various schemes in place.

During the quarter, the requirement to undertake pre-assurance checks on all applicants for a Restart Grant has had a significant impact on team resource and therefore little else has been progressed in terms of delivering the proactive fraud plan and the National Fraud Initiative exercise.

With the relaxation of lockdown restrictions and the associated grants it is hoped that the Corporate Fraud Team will be able to move towards business as usual and make inroads into the current backlog of active cases and proactive fraud prevention work. However, one of the Corporate Fraud Officers is leaving the team and therefore a recruitment exercise needs to be undertaken to fill this role which will have an impact on available resource.

Blackpool Council: Audit and Risk

1.3 Risk and Resilience

The team are continuing to support services to review their business continuity plans and transfer these onto the new template which combines business impact analysis and business continuity arrangements.

The team are in the process of procuring insurance for the Airport and Enveco Phase Two with a view to have implemented the new insurance arrangements by September 2021.

Overall 82% of the scheduled risk management groups were held in the quarter and of these, 100% of those held are now proactively using the risk management SharePoint sites.

The National Audit Office have published in May 2021 a report on initial learning from the Government's response to the COVID-19 pandemic. The report made 39 recommendations in total with the most relevant from a risk management and emergency planning perspective in local government being:

- A comprehensive lessons-learned exercise involving all the main stakeholders, including local government and representatives of the workforce and suppliers, would inform the planning for future emergencies.
- Emergency plans for dealing with a pandemic must provide for appropriate stockpiles of high-quality PPE together with comprehensive and resilient arrangements for the rapid procurement and distribution of PPE, based on reliable information. Plans need to include distribution of PPE to social care and all parts of the health system. Organisations responsible for maintaining and testing their plans must actively monitor for new threats that might overwhelm their plans.
- Effective governance, lines of accountability, and resourcing responsibilities are important for an effective rapid-response in an emergency situation. Developing these arrangements, and ensuring that they remain up to date, should be part of the emergency plan for activation when required.
- Clear, timely, two-way information and communication are vital for both providing services at the front-line and for managing the response at the national level. This includes information on national and local PPE stocks and requirements,
- Why national bodies provided more support to hospitals than to social care to prevent that happening again.
- Clear strategy for how national and local tracing teams will work together.
- Consider how changes in testing policy will affect the workload of national and local tracing.
- Everyone in has, for the first time, provided data on the potential scale of the population in England which either sleeps rough or is at risk of doing so. MHCLG needs to build upon this knowledge to understand fully the size and needs of this population and communicate this to local authorities.
- DHSC should ensure that healthcare data systems allow easy, but secure, access to healthcare data.
- DHSC should set out the core data requirements for a future pandemic or civil emergency and how it can access data in a timely manner.
- MHCLG should set out how it can establish the capacity and capability of local authorities to support shielding-type exercises.
- Monitoring to track the longer-term impact of COVID-19 disruption on all pupils' development and attainment.

1.4 Health and Safety

The team continue to have a key role in providing advice, support and guidance to all Council services and schools with regards to safe working practices during the Covid-19 pandemic. This continues to involve

Blackpool Council: Audit and Risk

reviewing government and Health and Safety Executive Guidance in relation to working safely during the pandemic and implementing any necessary changes or systems to ensure that the Council continues to be compliant. The team have been undertaking unannounced workplace inspections at some Council buildings to continue to ensure compliance with the Covid Secure arrangements.

The team are supporting the corporate project to assess how the Council will work once lockdowns are lifted which includes options such as greater home working / hybrid workers. As part of this, health and safety legislation is being considered to ensure that we continue to keep staff safe, regardless of where they work, and the Council's health and safety arrangements will be amended accordingly once a decision is made.

Face to face health and safety training has been delivered where necessary in a Covid Secure way and progress is being made on developing virtual training to ensure all staff who require training are able to access the training. Work is underway to review how health and safety training and communications are delivered going forward including 'how to' tutorial videos which could help with staff queries.

1.5 ***Equality and Diversity***

There has been some deterioration in services evidencing their consideration of the Public Sector Equality Duty as part of the decision making process as shown in this quarter's performance indicators. A number of actions are being taken to address this including the development of a new training course for managers on the Public Sector Equality Duty and Equality Analysis. An Equality and Diversity Development Plan is being prepared and consideration is being given to the scope of an Equality and Diversity Strategy for the Council.

Work continues with the wholly owned companies to support them to assess their performance in relation to equality and diversity. Blackpool Coastal Housing were reviewed in the quarter and contact has been made with Blackpool Entertainment Company to progress their review.

Performance

Risk Services performance indicators

Performance Indicator (Description of measure)	2021/22 Target	2021/22 Actual
Professional and technical qualification as a percentage of the total.	85%	72%

Internal Audit Team performance indicators

Performance Indicator (Description of measure)	2021/22 Target	2021/22 Actual
Percentage audit plan completed (annual target).	90%	17%
Percentage draft reports issued within deadline.	96%	91%
Percentage audit work within resource budget.	92%	100%
Percentage of positive satisfaction surveys.	85%	92%
Percentage compliance with quality standards for audit reviews.	85%	90%

Blackpool Council: Audit and Risk

Risk and Resilience Team performance indicators

Performance Indicator (Description of measure)	2021/22 Target	2021/22 Actual
Percentage of Council service business continuity plans up to date.	100%	100%
Percentage of risk registers revised and up to date at the end of the quarter.	100%	74%
Number of risk and resilience training and exercise sessions held (annual target).	6	1
Number of trained Emergency Response Group Volunteers. (for monitoring purposes only – responsibility lies with Adult Social Care)	50	27
Percentage of property risk audit programme completed (annual target).	100%	0%

Health and Safety performance indicators

Performance Indicator (Description of measure)	2021/22 Target	2021/22 Actual
RIDDOR Reportable Accidents for Employees	0	2
Training Delivered to quarterly plan	100%	100%

There were two RIDDOR case relating to employees reported in the quarter which included:

- Adult Services (Mental Health Team) - Inpatient attacked employee in a ward corridor resulting in the employee being absent for over 7 days.
- Adult Services (Community and Reablement at Home) - Employee slipped on the back kitchen doorstep resulting in an ankle fracture.

Equality and Diversity performance indicators

Performance Indicator (Description of measure)	2021/22 Target	2021/22 Actual
Percentage of Executive Decisions made with evidence of Equality Impact Assessments or due regard.	100%	0%
Percentage take up of Equality i-Pool course.	100%	81%

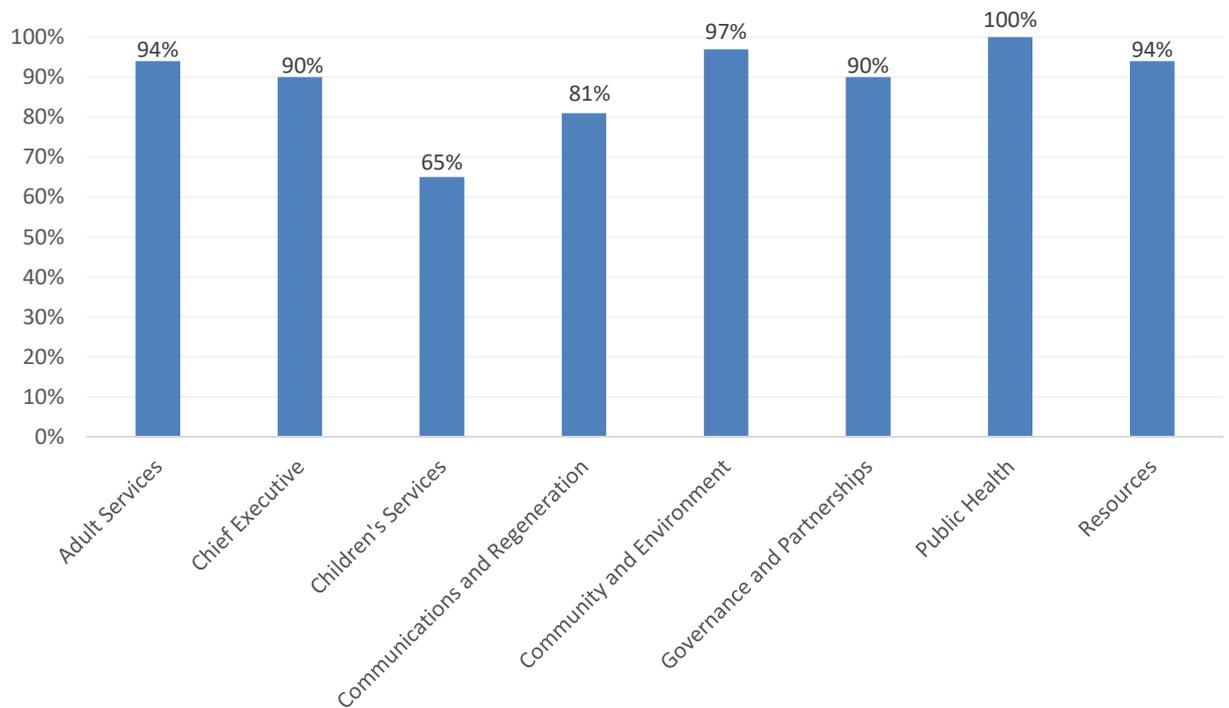

Blackpool Council: Audit and Risk

Corporate Fraud Team performance indicators

Performance Indicator (Description of measure)	2021/22 Target	2021/22 Actual
% of agreed Council employees completed i-Pool fraud awareness course.	100%	87%

As at 30th June 2021, the overall completion rate has decreased from 89% to 87%. Further analysis has revealed that this decrease can be attributed to staffing changes which have occurred during the quarter. The below graph showing directorate performance:

Blackpool Council: Audit and Risk

Communication and Regeneration	Enterprise Zone	<p><u>Scope</u></p> <p>The scope of our audit was to review:</p> <ul style="list-style-type: none"> • The progress of the Enterprise Zone and what delays have been experienced due to Covid-19; • Whether the risks associated with the Enterprise Zone are adequately mitigated. <p><u>Overall Opinion and Assurance Statement</u></p> <table border="1" style="width: 100%; text-align: center;"> <tr> <td>Adequate</td> </tr> </table> <p>Progress of the Blackpool Airport Enterprise Zone has been affected by a number of delays, particularly in relation to road design and relocation of existing sports pitches and the impact of Covid-19 restrictions imposed has added further pressure over recent months. Despite this, progress has been made in a number of areas as outlined in the annual review report presented to Executive in December 2020. The timely commencement of the infrastructure works required is critical to enable further progression of the project, so that the forecasted future benefits can be realised.</p> <p>A number of key risks have been identified by the project team and a risk register is in place. The risk register now needs to be maintained and updated more frequently by the project team so that actions being undertaken to further mitigate the risks identified can be more closely monitored, and the impact and likelihood of the risks adjusted accordingly. We consider the controls in place are adequate and have made several recommendations to further strengthen the approach.</p> <p><u>Number of Recommendations Made</u></p> <table border="1" style="width: 100%; text-align: center;"> <tr> <td>Priority 1</td> <td>0</td> </tr> <tr> <td>Priority 2</td> <td>3</td> </tr> <tr> <td>Priority 3</td> <td>2</td> </tr> </table> <p><u>Management Response</u></p> <p>As part of the annual marketing evaluation, the subsequent changes to the previously (pre-Covid) planned approach will be outlined and evaluated. The ongoing impact of Covid will be taken into consideration and reflected in the 2021/22 Marketing Plan.</p> <p>The recently updated risk register will be reviewed at project team meetings so that risks are identified and mitigated as soon as possible. The risk register will also be updated to include the difficulties in recruiting and retaining appropriately qualified and experienced Project Managers for the scheme and the scenario based approach to forecasting income levels will be factored into the financial risks.</p>	Adequate	Priority 1	0	Priority 2	3	Priority 3	2

Progress with Priority 1 audit recommendations

A number of priority one recommendations were implemented in the quarter including:

- Vehicle Operators Licence x 1
- Household Waste Recycling Centre x 1

A number of priority one recommendations which were due in the quarter have had their deadline extended following discussion between the relevant Head of Service and the Head of Audit and Risk and these include:

- Community Engagement x 1
- Water Self-Supply x 1

Blackpool Council: Audit and Risk

- Managing the Leavers Process x 1
- CCTV x 1

The Regulation of Investigatory Powers Act 2000

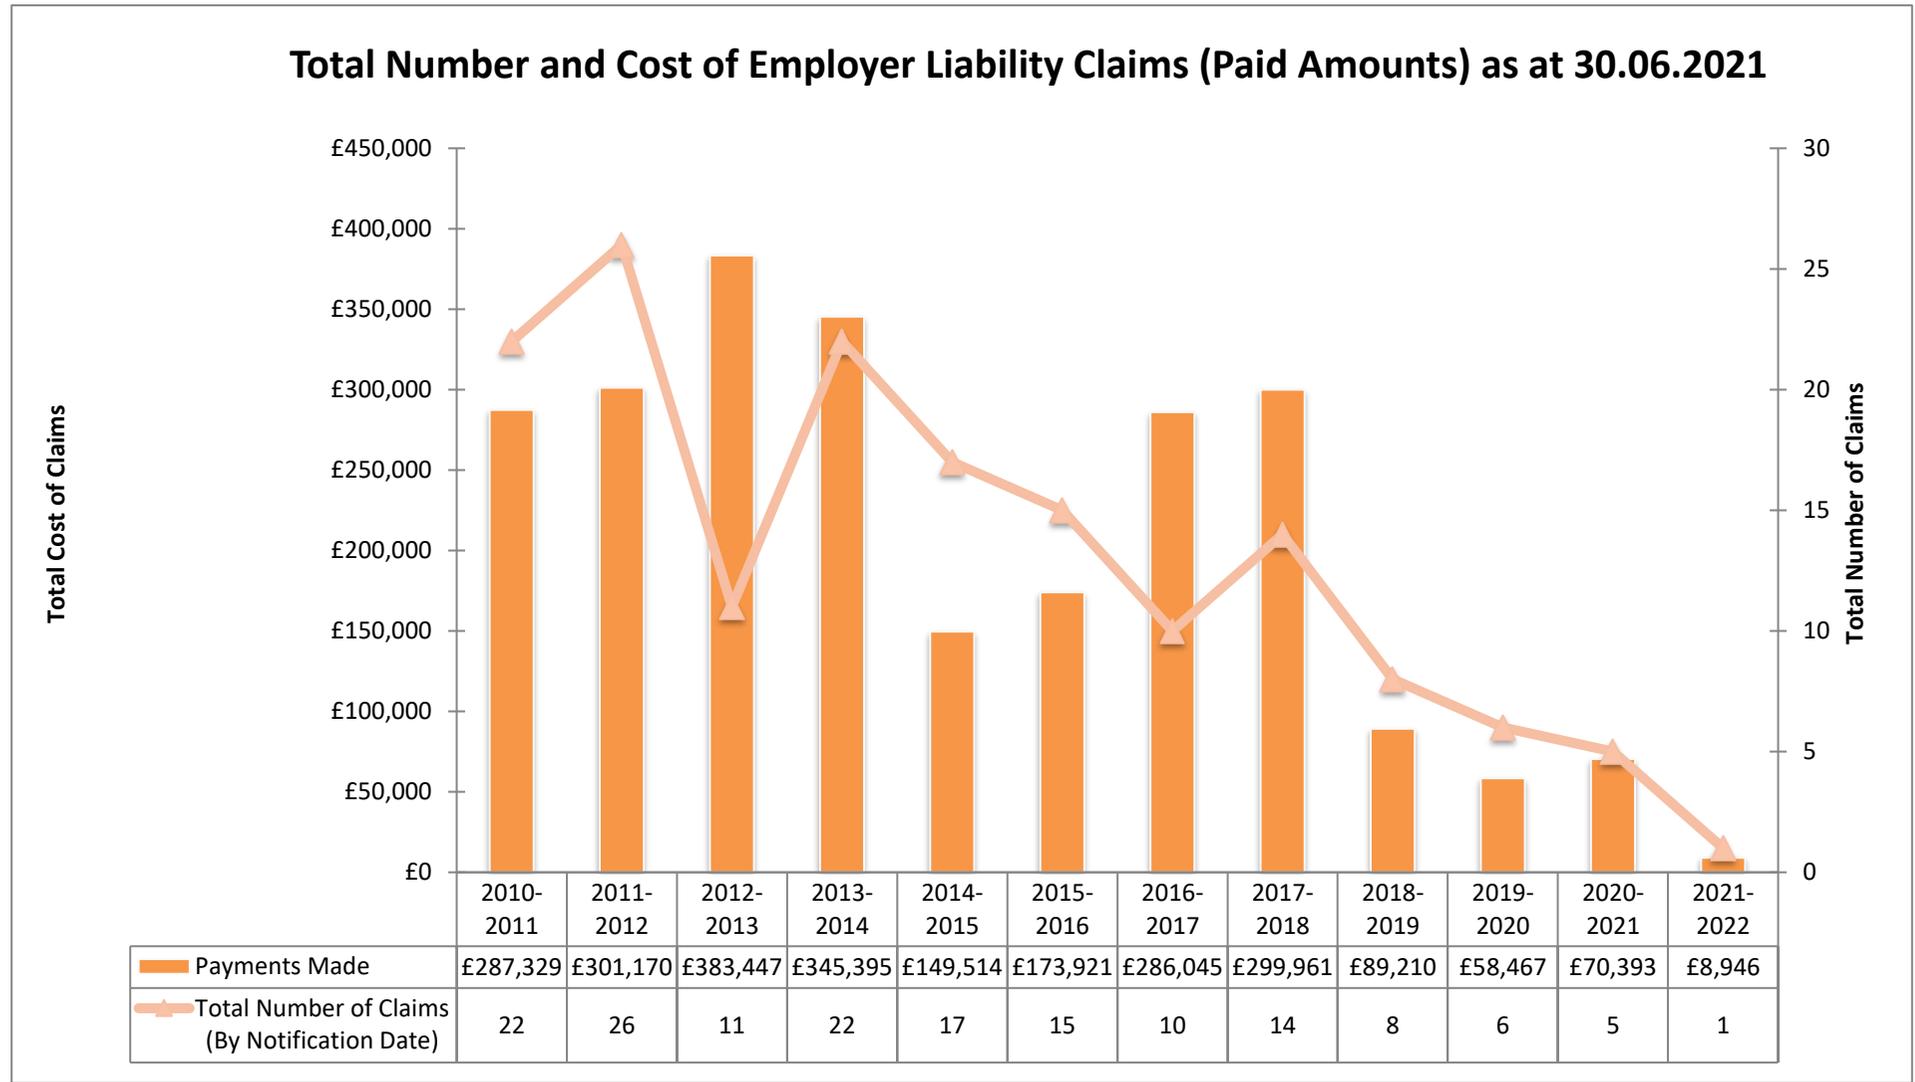

In line with best practice it has been agreed that the Council will report to the Audit Committee the number of RIPA authorisations undertaken each quarter, which enables the Council to undertake directed and covert surveillance. Between April 2021 and June 2021 the Council authorised no RIPA's.

Insurance claims data

The graphs at Appendix B show the cost of liability insurance claims paid to date during each financial year by the Council.
