<p>My role as Child Protection Licensing Officer focusses on managing the various risks that makes both children and adults unsafe; alcohol constituting a significant risk factor.</p> <p>On behalf of Blackpool Council Community Safety I object to the application for a premises licence at Seagulls Mini Mart, 1-3 Dean Street, Blackpool.</p> <p>The premises is situated on Dean Street within the Waterloo Ward, which is included in the cumulative impact area. The application is for a convenience store supplying alcohol by way of off sales 8am to 11pm 7 days a week. The Blackpool Cumulative Impact Assessment 2021 indicates that this area is home to a large concentration of off licence premises. There is nothing in the application to suggest this is offering anything new or specialised to the area.</p> <p>I am concerned that based on the application the applicant has been given as to how the operation would not add to existing problems in the area.</p> <p>I would recommend that this application is refused.</p>				

**For New / Variation Applications only.**

**It is recommended that the licence should only be granted if the application is amended, or if conditions are applied, as detailed below.**
