Subject: 13 Clifton Street

I write in relation to 13 Clifton Street, a pending application for an Off Licence.

Firstly the concerns from this Authority are that additional alcohol retailers in Talbot ward will add to problem already being experienced in the area. By way of a very recent example on Tuesday 7th July 2015 I was driving down Talbot Road towards the sea at 09.30 when I noticed 3 Street Drinkers sat in the doorway of a furniture shop, Best for Furniture 61-63 Talbot Road. The group consisted of 2 males and one female who were sharing a large bottle of white cider.

Later the same day I saw male drinking from a black and gold can of what appeared to be high strength alcohol, this male was sat close to the furniture on another shop doorway.

On Wednesday 8th July 2015 myself and Rachel Swindles met with the applicant SRIPATHMANATHAN RAJKUMAR born 15/10/73, he initiated the meeting to discuss the potential for mediation.

I reiterated the concerns with street drinking in the area using the examples above and the proposed timings which caused both me and Public Health concern. The applicant was applying from 06.00hrs to 23.00hrs.

Without too much resistance the applicant agreed that 06.00hrs was not needed and the main demand seemed to be from people on their way home from work who were catching the bus across the road from the shop. I also focused on the sale of high strength white ciders and single cans sales as evidenced from my observations on Tuesday 7th July. Again the applicant agreed to not sell high strength(no ABV was mentioned) alcohol nor would he sell single cans.

As such we were relatively happy with these modifications, I then enquired as to his previous experience. The applicant confirmed he had run a shop in Eastcote Lane in Harrow, he was there for 5 years and apparently had no problems with the local Authorities.

I checked these facts out with Harrow and have had confirmation of his experience which is exactly what the applicant disclosed during the meeting. They do raise one issue which he is currently still a DPS on a Premises down in Harrow, a situation which is easily rectified by virtue of a written notice being served by the Applicant on the Licensing Authority in Harrow.

The e mails from Harrow are served separately to this e mail

By way of follow up on the Street Drinking observations I spoke with the owner of the furniture shop on the 8th July who is Dave Nichols, he said he usually opens the shop at 10am and didn't see the street drinkers I noted at 09.30hrs, however he disclosed an incident that occurred the week before on either the 2nd or 3rd July 2015 he had to move a male who was asleep in his doorway when he was opening up the store. The male was described as having a skin head and covered in tattoos. There were also a quantity of empty Strong bow can strewn all around the male which Dave had to clear away before he could open the store.

Hi Mark,

We've records dating back 5 years for them. No issues at all. Members of our Responsible Trader Scheme too.

Looks like it will be a shame to lose them!

That is the reply from our trading Standards. As regards our system they have a clean record, no problems since he took over the premises.

Dear Mark,

Please see attached a copy of the premises licence where Mr Rajkumar is listed as the DPS.

Please note that this is a live licence and would be interesting to find out how he would be expected to be in day to day control of a premises in Harrow as well as Blackpool.
