Due to lease renewal contractual differences between the landlord (David Moseley) of 15-17 Queen Street and myself, with terms that are both commercially unviable and unreasonable, i find myself with no other option but to move the SEV to my own premises next door. Upon approval I i will surrender the SEV at 15-17 Queen St, therefore still leaving Blackpool with 4 SEV'S.

Supporting Information for SEV Application

As part of the application, 'AA Recreation 1 Ltd' would like to take this opportunity to explain some of the background information and circumstances that have led to this application.

- **The reality is we are looking to transfer the license from 15-17 Queen Street to 11-13 Queen Street. The mechanics and process behind this means that AA have to apply for a new licence and relinquish the old one. AA understand the necessity to work in this way and of course, undertake to relinquish the license at 15-17 Queen Street at the appropriate time.**
- The need to move the license has arisen due to demands made by the landlord of 15-17 Queens Street after we acquired the business that currently occupies 15-17. The demands include but were not limited to:
 - The length of the lease is unacceptable bearing in mind the uncertainty of the future of this particular industry in Blackpool.
 - The landlord is making demands for clauses in the lease which if we signed would be impossible for us to comply with and may even be illegal.These untenable demands were introduced after we acquired the business. Prior to the application we spoke to Lee Petrak, Dave Verity and Ryan Ratcliffe as well as Emma (Police Licensing) all of whom have, in principle, raised no objections to the license being at 11-13 Queens Street. Obviously subject to approval and modifications being made to CCTV, processes, and some of the internal layout of the facility.
- 11-13 Queen Street is subject to a fair and equitable long-term lease with an option to buy clause which we are in the process of completing, meaning we will have no issues complying with any licensing requests or requirements.

We would also add that the executive directors and team have a unblemished record of running 2 existing SEV licensed venues in the town. They have worked tirelessly to implement the Terms of the License, and with various departments within the council to ensure all requirements are met or exceeded. They have then worked internally to ensure all necessary personnel are trained fully in their roles and that the training is reinforced on a regular basis.

The starting point is that the Licence was issued to AA and expires in January 2022. Mr Mosley's attempt to transfer a licence without the current holders consent is a kin to applying to DVLA to have your neighbours car registered in your name without have the decency to make an offer to buy it first.

His intentions are nothing short of disingenuous and in any other walk of life seeking to obtain property that belongs to another with the intention to deprive, would be unacceptable.

ECHR have established for some years that a Licence is a possession as such I have qualified rights to remain the holder of that possession.
