RUSCOTE  
SIXTH AVE  
BLACKPOOL FY4 2ER  
12. MAY. 22.

Regarding  
Batch number  
2021.

1/3

Dear to whom it may Concern.

I have previously complained  
on several, the times verbally to Anthony Power.  
1 time by Email to Anthony Power  
1 time to Paul Summers.

I believe it is Ludicrous to put  
double lines from Sixth Ave to Left hand side onto  
Arnold.

This is nearly always a very quiet  
area, YES! we did have some disturbances during  
Covid, but all that has passed away.

1/ I am enclosing some pics from today, &  
have in the past sent many, it is clearly  
visible, (view looking down to School) that  
there is no cars

2/ What you will be doing is putting double  
lines, where there are no cars.  
Is this not Ridiculous!

3/ I have spoke to MP Scott Benton about  
this, as he is a neighbour, his road ST Luke  
is more lined with cars than  
Arnold ave.

4/ It sounds like you want to extend the double lines all the way down to the School, I hope not, People surely have a right to pick up their Children. YES! there is a lot of Traffic at Mornings and Evenings, but this is only for a short time.

5/ I have lived here now for nearly 50 yrs, and because of 1 complaint during Covid, there has to be double lines around 6<sup>th</sup> Avenue, when there is no need seems preposterous.

6. The Lines from 6<sup>th</sup> Avenue turning right to the Field YES! they should be Revoked, as they were a mistake. I was told by the Complainant that Anthony Power said that, though when I mentioned this to him, he denied this!

7. Which ever way it would seem logical to take the Double lines off 6<sup>th</sup> Ave / Right of Arndd Ave.

I do believe you have to put double lines where relevant, but please if there is no traffic, please save your paint (the expense) & put where it is needed.

I believe you also have to be mindful that this is a problem that is not going to go away.

Hopefully more people would not have to many cars in a household, even though the expense to run a car is very high.

The answer though is not to just put double lines i.e. - Arndd Ave. as this will just cause build up further down. There has to be Fairness to people.

I believe Anthony told me, that though I can object once this notice has gone up, but it won't change the outcome of decisions.

I Feel this to sound UNLAWFULL.

Yours faithfully
