2. Introduction

The survey ran for eight weeks across April to June 2022. Paper copies of the survey were made available in public facing council buildings and face-to-face surveys took place using a shortened version of the questionnaire.

Who responded?

In total, **54 people** responded to the survey, with 33 people responding as an individual and two people responding on behalf of an organisation. 19 responses came from face-to-face interviews as a result of fieldwork activity that was conducted across a two week period.

Those who identified as individuals described themselves as follows:

- Member of the public – 28 responses
- Blackpool Council staff member – 3 responses

Additionally, one respondent preferred not to say and one further respondent answered 'other'.

Two individuals who responded on behalf of an organisation identified as responding from a local/district council and on behalf of Citizen's Advice.

There were 22 female and 27 male respondents. The remainder preferred not to state their gender.

45 respondents identified as White, which included English/Welsh/Scottish/Northern Irish/British Irish, Gypsy or Irish Traveller or any other white background. Two respondents identified as Asian/Asian British, which included Indian, Pakistani, Bangladeshi, Chinese, and any other Asian background. Two respondents identified as Black/African/Caribbean/Black British which included African Caribbean and any other Black/African/Caribbean background, and one respondent preferred not to disclose their ethnicity.

24 respondents identified as having a long standing illness or disability that limited their activity (10 stated they were limited by a lot and 14 stated they were limited by a little).

49 respondents gave their postcode information. A breakdown of respondents by postcode area is as follows:
