re kaos...

once a good venue it now sadly ruined, regular fighting and glasses smashed outside, disgusting language shouted at passer bys.
last year a car was driven through the front doors twice whilst busy inside, mayhem ensued as nobody knew where emergency exit was because it wasn't lit up!!
walking home from work and passing this place is somewhat hit and miss whether you get abuse shouted to you, the doormen don't do anything about it and think it's funny.
it's a run-down health disaster what with drugs and sex in the toilets...
kaos has exactly the correct name.
early in the summer a group of men were shouting disgusting sexual remarks from behind the barrier to children. broken glass cig butts everywhere every morning.
it's a blight on the town and ruins the area completely.. i think it should be closed down before somebody loses their life.
