2 males came into the bar,  
they looked a bit tipsy so we decided  
not to serve them, both around the age  
of 22 one had red hair and a red short  
beard, the other had dark hair,

they both started flirting with some  
women on a hen night,

The 2 males went outside and a few  
min later a fight broke out outside,

we went outside and led other  
customers back through the fire doors  
and locked them shut,

The fight carried on with the 2 males  
and one tall dark man,

we had to attend to the bar so  
stayed indoors,

Police arrived shortly afterwards
