## **6.0 Background Information**

### **6.1 Scrutiny Workplan**

A Scrutiny Workplanning Workshop was held on Tuesday 7 June 2022 to consider items for inclusion on the Committee's workplan for the 2022/2023 municipal year. The workplan is a flexible document that sets out the work that will be undertaken by the Committee over the course of the year, both through scrutiny review and Committee meetings.

Attached at Appendix 11(a) is a draft of the proposed Workplan for 2022/2023, which will be used a starting point for further consideration at the Workplanning Workshop to be held in June 2023.

Committee Members are invited to suggest topics at any time that might be suitable for scrutiny review through completion of the Scrutiny Review Checklist. The checklist forms part of the mandatory scrutiny procedure for establishing review panels and must therefore be completed and submitted for consideration by the Committee, prior to a topic being approved for scrutiny.

### **6.2 Implementation of Recommendations/Actions**

The table attached at Appendix 11(b) has been developed to assist the Committee in effectively ensuring that the recommendations made by the Committee are acted upon. The table will be regularly updated and submitted to each Committee meeting.

Members are requested to consider the updates provided in the table and ask follow-up questions as appropriate to ensure that all recommendations are implemented.

### **6.3 Scrutiny Review Checklist**

The Scrutiny Review Checklist is attached at Appendix 11(c). The checklist forms part of the mandatory scrutiny procedure for establishing review panels and must therefore be completed and submitted for consideration by the Committee, prior to a topic being approved for scrutiny.

The Committee is recommended to place an emphasis on the priorities and performance of the Council when considering requests for scrutiny reviews.

#### 6.4 **Mental Health of Young Men Scrutiny Review**

The joint review of Mental Health Services for Young Men between the Adult Social Care and Health Scrutiny Committee and Children and Young People's Scrutiny Committee has now concluded. The final recommendations in the report fall within the remit of the Cabinet Member for Adult Social Care and Community Health and Wellbeing and therefore the report will be submitted to the Adult Social Care and Health Scrutiny Committee for approval and to monitor the implementation of the recommendations of that review should they be approved by the Executive.
