- 3.1 The Council has a duty to agree a pay policy statement before 31 March each year. The statement also meets the requirements for mandatory gender pay gap reporting for public sector employers with 250 or more employees.

- 3.2 Is the recommendation contrary to a plan or strategy adopted or approved by the Council? No

- 3.3 Is the recommendation in accordance with the Council's approved budget? Yes

### **4.0 Other alternative options to be considered:**

- 4.1 None.

## **5.0 Council Priority:**

5.1 The relevant Council priorities are “The economy: Maximising growth and opportunity across Blackpool” and “Communities: Creating stronger communities and increasing resilience”.

## **6.0 Background Information**

6.1 The Council is required to produce a pay policy statement, which must be in place for the year 2023/2024 and have received full Council approval before the start of that financial year.

6.2 The statement must set out the Council’s policy on:

- i. Chief Officer Remuneration (at recruitment, salary, bonus, performance related pay, charges, fees, allowances, benefits in kind, enhancement to pension at termination).
- ii. Remuneration of its lowest paid employees (elements as above), the definition used for this group and the reason for adopting that definition.
- iii. The relationship between chief officer remuneration and that of other staff. This however is a minimum requirement and Councils can do more if they so wish.

6.3 The guidance from the Department for Levelling Up, Housing and Communities has added that the department expects the policy statement to also cover:

- i. The opportunity for full Council to vote on senior remuneration packages with a value over £100,000 prior to an offer of appointment being made.
- ii. Policies should explain the planned relationship between Chief Officer remuneration and that of other staff and the ratio between the highest paid and median salary that the authority aims to achieve and maintain.
- iii. The value of the system of earn back pay with an element of their basic pay at risk each year to be earned back through meeting pre-agreed objectives.
- iv. Any decision that the Authority takes in relation to the award of severance to an individual Chief Officer.
- v. An explicit statement on whether or not they permit an individual to be in receipt of a pension in addition to receiving a salary.

- vi. Policies to deal with those who may have returned to the authority under a contract of service of any type having already received a severance or redundancy payment.

6.4 In addition to this guidance, it should be noted that the recommended practice for Local Authorities on data transparency states that the Council should disclose publicly:

- i. Employees' salaries (that earn £50,000 and above). This includes disclosing their names, details of their remuneration, a list of responsibilities, for example, the services and functions they are responsible for, budget held and number of staff.
- ii. An organisation chart.
- iii. The pay multiple, which is the ratio between the highest paid salary and the median average salary of the whole authority's workforce.

6.5 The draft Pay Policy Statement for 2023/2024 has been considered by the Corporate Leadership Team at its meeting on 3 January 2023. Following approval by the Committee the Pay Policy Statement will be submitted to full Council on 22 February 2023 for final approval.

6.6 Does the information submitted include any exempt information? No

7.0 List of Appendices:

7.1 Appendix 3(a) – Proposed Pay Policy Statement.

## **8.0 Financial considerations:**

8.1 No changes to the Council's financial arrangements have been made as a result of the introduction of this statement.

## **9.0 Legal considerations:**

9.1 All legal duties have been complied with.

## **10.0 Risk management considerations:**

10.1 The most significant risks around pay relate to the increased costs of employment and balancing the need to pay an appropriate salary that will mean that the roles the Council needs to fill to discharge its duties as a Local Authority can be filled by skilled,

appropriately qualified staff. To mitigate against the first risk the Council ensures that its budgets are managed effectively and to deal with the second risk, there is a policy to deal with market supplements if they can be objectively justified.

**11.0 Equalities considerations:**

11.1 The Council's pay review process introduced two robust job evaluation schemes, which are designed to ensure fairness and equity in pay. These schemes and the desire to ensure fairness and transparency around pay form the basis of the Council's Pay Policy Statement. The Council complies with the recommended practice for Local Authorities on data transparency already.

**12.0 Sustainability, climate change and environmental considerations:**

12.1 None directly from this report.

**13.0 Internal/ External Consultation undertaken:**

13.1 Consultation has previously taken place with Trade Union Representatives on the policies referred to in the pay policy statement. Any new areas, which could be added to the statement, will be discussed with the Trade Union representatives.

**14.0 Background papers:**

14.1 None.
