---

Dear Sir/Madam,

Can you confirm receipt of this objection please. Our objection still stands even though the Post Office applicant has reduced the hours they want to extend until midnight due to the community reaction. We still feel that selling alcohol until 11pm is quite late enough and any extension would cause nuisance trouble and be a detriment to the area - apart from going against the local plan.

Thank you.

**Subject:** Licensing Application for Post Office at 27 Whitegate Drive FY3 9AA

Dear Sir/Madam,

We would like to make a formal complaint against the application submitted by the Post Office at 27 Whitegate Drive, Blackpool, FY3 9AA, to extend their licensing hours to sell alcohol from 8am until 3am. This proposal is at odds with the main function of the site as a Post Office and also goes against the local plan that is laid down by the council to protect local communities and the environment.

The proposed extra hours would cause considerable nuisance in an area that is heavily residential, and residents would suffer from increased noise and anti-social behaviour if this application were granted. Many local residents feel, like us, that this would be a detriment to the community. Living opposite the Post Office, it would also cause us considerable nuisance at night and into the early hours of the morning.

Yours Sincerely,

David Slattery-Christy  
Graham Greenwood

Blackpool  
FY3 9AL
