Notes for Guidance

This application cannot be used to vary the licence so as to extend the period that the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy.
2. Describe the premises. For example the type of premises, its general situation and layout and any other information that could be relevant to the licensing objectives. Where your

application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place is and its proximity to the premises.

3. In terms of specific regulated entertainments please note that:

- Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.

Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
- Live music: no licence permission is required for:
 - A performance of unamplified live music between 08.00 and 23.00 on any day, on any premises;
