## How to make representations

### **What are the Rights of an Interested Party?**

An Interested Party can make representations in relation to an application, **which by law must be forwarded to the applicant to enable a dialogue to take place between the various parties to allow an amicable resolution to the issues raised.** If they cannot reach agreement then the Interested Party can present their objection at a hearing of the Licensing Committee. Representations must not be frivolous, repetitive or vexatious. Interested Parties must ensure that their objections are factually correct and substantial.

### **What can my representation relate to?**

The representations must relate to 'The Licensing Objectives', which are:

- The Protection of Children,
- The Prevention of Nuisance,
- The Protection of Public Safety and
- The Prevention of Crime & Disorder.

Any objection, which does not relate to one or more of the licensing objectives will not be considered. Similarly planning matters will not be reconsidered and the licensing hearings will not be a rerun of contested planning decisions.

### **How do I make a representation?**

It must be made in writing to the licensing service. A form is attached for this purpose. You must state the grounds upon which you are making representations. You should note that at the hearing you can only rely on the grounds stated within your notice.

### **Can I be represented?**

You may put forward your representation yourself, or you may ask a solicitor or friend to assist you. If you appear or are represented your objection may be subject to cross-examination by the applicant or the applicant's representative or by members of the committee.

### **What happens next?**

The committee can approve the application or decide to uphold your objection and refuse the application or they can apply whatever conditions they believe to be adequate to ensure that the premises will not breach the licensing objectives.

### **Where can I get more information about the Licensing Act 2003?**

Information can be obtained from Blackpool Council's Licensing Service or from the Home Office at [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk)

Since the 2am stop for residents and guests consuming alcohol has been in force this has stopped the problems, if allowed to go back to 4am, this will start all over again.

Public safety and crime from people both staying and leaving Trades after 4am will once again rise as people will go to Trades and 42 Bank Street after everywhere else closes at 2am already pre-fuelled with alcohol.

- The prevention of public nuisance.

For Legends Hotel having the bar close at 4am, the taxis, people leaving, screaming shouting and fighting like they did before will return, and the quiet residential area which is assured for our guests will be ruined, also if Trades Hotel and 42 Banks Street gets a 4am licence then this is an opening for Mardi Gras, Rendevous and Blackpool North to apply for similar.

**Please provide as much information as possible to support your representation. Note that if you have not disclosed this information, you may not be able to introduce it at the hearing unless all parties consent.**

## Section 5 Signatures
