5.0 Background Information

5.1 In February 2015, the Chief Officers Employment Committee agreed to authorise the Chief Executive to commission the Hay Group to assist him in an evaluation of the authority's senior management structural arrangements. This was partly due to the temporary arrangements in place for Delyth Curtis undertaking the role of statutory Director of Children's Services and Karen Smith undertaking the role of statutory Director of Adult Services. It also involved the secondment of a chief officer to Blackpool Coastal Housing which is due to expire in May 2016. The temporary arrangements for the statutory roles had been agreed by Council on 17th September 2014 to be in place until 30th September 2015. It was envisaged that the Chief Officers Employment Committee would have met by this date to allow it to consider the aforementioned review. However, this has not happened and the review is still subject to consultation. A meeting of the Chief Officers Employment Committee will be held in the near future and before the next Council meeting in November.

5.2 The Chief Executive has consulted with the Leader of the Council and the Leader of the Conservative Group and accordingly wishes to ask Council to extend these temporary arrangements until 30th November 2015, to enable them to be considered at the November Council meeting, following the Chief Officers Employment Committee's review of the structure.

5.3 It is also considered appropriate to change the designation for the Proper Officer for Registration Services. This is currently held by Mark Towers but the detail of the role involves regular liaison with the Registrar General and it is recommended that Joceline Greenaway who is the Head of Registration and Bereavement Services undertakes this role, as it is more relevant to her day to day duties and she is of sufficient level to hold this role. This role is held by holders of similar positions in other unitary/ County Councils. The proposal is supported by the Registrar General's office.

5.4 At its meeting on the 22nd May 2013, the Executive agreed a set of decision making criteria which forms part of the constitution. Given that 2 years have now elapsed since these were agreed, it is considered timely to review these criteria to ensure that they remain fit for purpose. Part of the review has involved an internal audit review of the application of these criteria within a Council directorate. Due to feedback received from Democratic staff and feedback at the beginning of this review, it is suggested that some changes are made for clarification purposes.

5.5 One proposed change is the definition of a key decision. The point requiring clarification is when approval has already been sought for a decision because it is already clearly referenced in the budget. A second decision for approval is therefore not required. This has always been the advice given to officers and members but it is considered for clarification purposes, it needs to be clearly referenced in the definition. There are no proposals to change the other parts of the definition.

5.6 The updated definition would therefore read as follows:

An Executive decision will be a key decision if it comes within any of the following categories:

- a) It involves expenditure or savings (including receipt of or loss of income) of £250,000 or over in relation to the budget for the service or function to which it relates, but excludes any decision:
 - taken as a consequence of the Council's Treasury Management Strategy for the current financial year;
 - taken as a direct consequence of an earlier key decision;
 - identified within the Council's agreed Budget for the current financial year where there is a clear intention of the decision to be taken.
- b) It is likely to have a significant positive or negative impact on the people living or working in an area comprising two or more wards.
- c) It makes recommendations on the Council's Policy and Budget Frameworks.
- d) If the decision is to approve a 'plan or strategy', reserved for

Executive approval only, as set out in the constitution.

The other parts of the Executive decision making criteria have had some minor changes (name changes etc) but not to alter the understanding of them. These are attached at Appendix 2a, to the Executive report.

5.7 As part of this review of the Constitution it is also considered prudent to change the Financial Procedure Rules to reflect the current financial climate of local government and financial status of the Council. Paragraph 2.3 of the Financial Procedure Rules currently states:

2.3 Expenditure may be incurred in excess of individual revenue budget heads provided that the total of such excess spending does not:

- (i) exceed 1% of the authority's total net revenue expenditure, or
- (ii) have the effect of reducing the authority's Reserves and Working Balances below 50% of their normal projected level.

5.8 It is proposed that this paragraph now read:

2.3 Expenditure may be incurred in excess of individual revenue budget heads provided that the total of such excess spending does not:

- (i) exceed 1% of the authority's total gross revenue expenditure, or
- (ii) have the effect of reducing the authority's Working Balances below 50% of their normal target level.

5.9 Does the information submitted include any exempt information? No
