Dear Graham, Catherine, and Dominic,

Serious and Organised Crime – Positive Practice Event

I am writing to thank you for your contribution to last week's serious and organised crime positive practice event.

The event was a great success and your presentation about Op Genga was very interesting and showed how effective collaborations can be in tackling serious and organised crime. It is certainly a partnership from which others could learn and benefit from adopting.

Thank you again for taking the time to attend and participate.

Yours sincerely,

Andy Cooke QPM DL
