Just returned to work this morning after being on holiday and read your recent e-mail.

I will contact Mr Pegler reference your complaint and will request that our Out of Hours Noise Nuisance Team monitor the Crystal Hotel over the coming weekends. I think I'm right in saying that you have the teams mobile number that you can call at the time of any excessive noise experienced.

Please continue to keep me informed...

Hi Ian.

Just an update on the hotel.

For the past few weeks there has been noise from the hotel yard area until around 01.00, just shouting usually. This weekend on Sunday morning there was very loud thumping music and very loud shouting until around 00.30. We have new tenants in the other property in the Mews now who can confirm.

Thanks, Gerald.
