Commentary on the key issues:

Directorate Summary

- The Revenue summary (above) lists the outturn projection for each individual service within the Places directorate against their respective, currently approved, revenue budget. The forecast outturn of £79,000 overspend is based upon actual financial performance for the first 4 months of 2015/2016 together with predictions of performance, anticipated pressures and efficiencies in the remainder of the financial year, all of which have been agreed with each head of service.

Housing, Planning & Transport Policy

- In total this service has a £30,000 overspend relating to the prudential borrowing costs of Tyldesley/Rigby Road housing development and the service's inability so far in offsetting savings/income from this project.

Visitor Services

- This service is expecting a £49,000 overspend by the year-end due to an income target in Print Services that needs to be reviewed as part of a wider review of the service.
