4.0 Council Priority:

4.1 The new Council Plan proposes two new refreshed priorities for the next five years;
Priority One : The Economy: Maximising growth and opportunity across Blackpool
Priority Two : Communities: Creating stronger communities and increasing resilience

5.0 Background Information

5.1 The current Council Plan (2013-2015) has now expired and Blackpool Council has taken the opportunity to refresh the Council's vision, priorities and values of the organisation for the next 5 years. The plan explains clearly what the Council will do to help improve the lives of local people and how the Council will measure progress.

5.2 The Council Plan 2013-2015 focussed on nine key priorities for the Council, which were later translated into three dominant themes. In response to the LGA Peer Review feedback in November 2014, the 2015-2020 plan has now streamlined these priorities into two key areas – the economy and communities. The plan seeks to deliver our messages in a more clear and concise language whilst defining specific actions and measurable targets which focusses on two key priorities. A vision with a more detailed narrative is also a feature of the new plan which is in line with the peer review feedback received.

5.3 Due to the ever changing local and national context, particularly around the economic climate and pressure on the public purse, the focus of the refreshed plan is early intervention, empowering communities and individuals and reducing demand. It stresses the Council's commitment to making the best use of public funds, whilst continuing to realise the Council's ambitions, and delivering the best possible services within the Council's financial capability which meet local needs.

5.4 To ensure effective management and monitoring of the Council Plan, key measures are being identified to ensure that the Council is able to demonstrate how well it is achieving its objectives.

During the summer months the Corporate Development and Engagement teams ran a number of key events to promote the development of the Council Plan 2015-2020 and seek feedback from staff and residents on the draft priorities.

12.2 A public consultation on Blackpool's developing draft Council Plan ran from 24th June to 17 August 2015. The approach included an open-access online survey, paper copies available in public areas such as libraries and children's centres, and face-to-face street interviews with residents in the town centre. The consultation was supported by a programme of promotion and engagement including an article in the Your Blackpool newspaper, social media engagement, press releases and the Council

Couch.

- 12.3 A total of 396 responses to the consultation were received, comprising of 215 street interviews, 140 online submissions and 41 paper returns.
- 12.4 Over three quarters of respondents felt that the Council's draft vision for Blackpool fully or mostly meets their own vision. Comments on the vision referred to the need for a clean Blackpool, focus on residents who live in the Borough and involving local people as the vision develops.
- 12.5 There was an overwhelming agreement for the two key priorities identified in the consultation. Regenerating the town centre, improving employment opportunities and reducing anti-social behaviour are the three most important areas for the economy and maximising growth. Encouraging civic pride and responsibility and encouraging community involvement and participation are the most important areas for creating stronger communities and increasing resilience.
