Planning Committee:

Planning Application Reports – Update Note

Listed below are changes to the planning reports made as a result of additional information received since the publication of the agenda for this meeting.

Case: 23/0777

Address: former Devonshire Road hospital site

Update:

A further consultee response has been received from United Utilities. This confirms the need for the standard drainage conditions that have been recommended and also notes the relocation of the refuse store to avoid conflict with their water main running over the site. United Utilities confirms that the new position of the refuse store is acceptable.
