## Foreword

The last years has been a period of immense change, both for Education and the Blackpool SACRE.

As we approach the time for review of the syllabus, we are also being asked to re-examine the strengths of local determination and the potential for collaboration with Lancashire SACRE.

Global and national events continue to influence our work, along with the pressures which central government apply to state education. It is therefore important that control to our role is making sense of what it is to be human, and sharing what it is we have in common, rather than what promotes division in Britain today.

Over the years SACRE Blackpool has been represented at the meetings with members from other SACREs in the northwest – this has proved to be a valuable exercise, which we hope can continue - providing ongoing support in enabling SACRE Blackpool to continue to function.

The liaison with Lancashire SACRE has meant that information and support is available to Blackpool schools and academies. The work of our teacher and headteacher members keeps us grounded in what actually works in the classroom. We acknowledge with grateful thanks also, the valuable contribution made by Helen Sage, who as chair, has stepped down after a number years on SACRE.

Whilst the meetings have been infrequent and a number of loyal and active members have retired, Blackpool SACRE continues to be representative of faith groups, schools and the local authority.

However, as we re-convene for a new academic year in 2016 – 17, with a new agreed syllabus, that we welcome new members. It is also only right that the work of the group as a whole is recognised. They continue to work hard to keep the work of SACRE visible and to spread best practice.

## **Role of SACRE**

The role of the SACRE is:

To consider any requests from Head teachers to hold Collective Worship that is not of a broadly Christian character.

## **Advice**

SACRE has not provided advice to the local authority on RE during the 2015/16 academic year.

SACRE has provided advice to schools through the officer to SACRE on a number of issues relating to the use of the Agreed Syllabus and their statutory duties in the teaching of RE. Schools have responded well to the advice provided.

SACRE has not given any advice to HM Government on RE during the past academic year.

## **Determinations**

Determinations are made where a school, on behalf of a number of parents, requests Collective Worship other than that set down by statute. No such requests have been received by SACRE during the past year.

## **Complaints**

SACRE has a role in investigating complaints against schools in relation to RE and Collective Worship. No such complaints were received in the past year.

## **Support for SACRE**

NNW SACRE and NA SACRE continue to provide support to the Blackpool SACRE when requested and has provided valuable information back to SACRE meetings via the chair or other members.

## **Support for schools**

The SACRE officer has linked with schools/academies through the local RE network and its chair.

RE network report as incorporated into this report.

## **RE Quality Mark**

No school achieved this award in 2015/16.

## **Collective Worship**

No issues surrounding Collective Worship have been submitted to SACRE.

## **Contribution to the wider diversity agendas**

Prevent agenda incorporated in report.

SRE and D & A are delivered through an SOW organised by public health. Schools/academies interpret the moral arguments to these through SMSC, RE and tutor sessions.

### **Community Cohesion**

British Values is supported in schools through SMSC.

### **LANCS SACRE**

During the year, Lancashire SACRE continued to host support and training to raise issues of common concern and share good practice and ways of working together.

## **SACRE Frequently Asked Questions\***

### **What is SACRE?**

The acronym SACRE stands for the Standing Advisory Council on Religious Education.

### **Why is there a SACRE?**

Every local authority has to have a SACRE by law. In 1944, local education authorities (LEAs) were given the chance to set up a SACRE, if they so wished. In 1988, all LEAs were required to have a SACRE.

### **What does a SACRE do?**

There is no other group anywhere else like the SACRE; it is unique. The law says that RE must be taught in all schools and a SACRE's role is to advise its local authority on what needs to be done to improve religious education (RE) and collective worship for schools in its area.

### **Who attends the SACRE meeting?**

A SACRE is set up to represent a balance of all the interests of the local community. Blackpool's SACRE has elected councillors, representatives of local faith communities, teachers and head teachers, at its SACRE meetings.

### **What are a SACRE's duties?**

The SACRE's main function is to advise the local authority on matters related to the religious education, which follows the locally agreed syllabus, and on collective worship in schools.

### **What is a locally agreed syllabus?**

The locally agreed syllabus is the statutory document for RE in the local authority. It sets out what should be taught to pupils in all key stages and the standards expected of them at the end of each key stage. It was reviewed in 2011 and produced in partnership with Lancashire SACRE. It is presently being reviewed for 2016 for the next five years.

### **What else can a SACRE do?**

A SACRE's broad role is to support good RE and collective worship within Blackpool's community schools.

### **How is this report compiled?**

During the four full SACRE meetings held annually the SACRE receives reports regarding support and monitoring of RE and Collective Worship in Community and some Voluntary Controlled schools. The information from these reports, and exam and end of key stage data, is then used to create this report.

### **Can this report help support my CPD?**

This report highlights the support available for training, individual school consultancies, Staff INSETs and the links to the faith communities in the area.

### **How can this report help my school move forward with SMSC?**

Blackpool SACRE is committed to working with local faith groups to support local school as they help their children understand all members of our diverse community. SACRE Blackpool also upholds the attitudes found in their locally agreed syllabus of being open minded and having respect for all. At the heart of the New agreed Syllabus for RE is the quest for understanding; "What it is to be human". The work of the SACRE supports the Field of enquiry model which allows children to consider what is of worth and who they really are.

\*with thanks to NASACRE for the FAQs

## **Management of the SACRE and Partnership with the LA**

The SACRE is advised and supported by professional and administrative staff of the Authority and its business is administered centrally through the Clerk to the SACRE.

The SACRE had a modest budget which is used to fund the following areas:

- Attendance at the NASACRE Annual Conference
- Annual subscription payment to NASACRE
- Advice and expertise from Consultants for RE

This needs to be considered in the light of local spending review and a small dedicated budget identified.

### **Other key stakeholders**

#### **NASACRE**

The SACRE is affiliated to NASACRE. NASACRE support documents are circulated to new members and are used as the basis for training for members. Blackpool attends the NASACRE Annual Conference and the newsletter is circulated to SACRE members.

#### **Lancashire LA**

Blackpool have enjoyed a good working relationship with Lancashire, sharing best practice and most recently acting as partners to develop the new Agreed Syllabus.

#### **AREIAC**

The RE Consultant's membership of the AREIAC Trans Pennine Group provides good networking and practice sharing opportunities.

## School Report

“I hear, I know. I see, I remember. I do, I understand”

Confucius

Helping children not only to know a little about different faiths but to understand is a big challenge and we very much work on the principle above. So bearing that in mind, our Year 5 children learned a little more about Judaism – they heard the stories, they saw the photographs but they understood the significance of the Seder Meal when they experienced it for themselves.

## Standards in Religious Education

The need for exemplification of attainment in Religious Education specific to the local Agreed Syllabus has been raised by both the Lancashire and Blackpool SACREs.

As a response to this the reviewed Agreed Syllabus contains two attainment targets based on those found in non-statutory guidance on RE (QCA 2000). This takes the format of:

Attainment target 1 - Learning about Religion and Human Experience

Attainment target 2 - Learning from Religion and Human Experience.

Each attainment target has been sub-divided into the key areas of the Field of Enquiry identified within the Agreed Syllabus for Religious Education. These are then given exemplification from Christianity and one other faith required to be studied by the Agreed Syllabus.

## **Collective Worship**

The SACRE continues to emphasise its commitment to high quality Collective Worship. Guidance and advice with regard to Collective Worship is given in line with Circular 1/94

Section 394 (1) of the Education Act

The 1996 Education Act empowers a SACRE to grant the request of a Headteacher for alternative Collective Worship, where it is considered that the nature of a pupil population makes it inappropriate to be wholly or mainly Christian. Currently Blackpool has no schools with an active determination.

## **Determinations**

In the year of this report, the SACRE has not received any request for any determinations.

## **Complaints concerning Collective Worship**

The LEA has received no formal complaints about the content or organisation of Collective Worship during the period of this report.

## BLACKPOOL SACRE LOCAL AGREED SYLLABUS FOR RELIGIOUS EDUCATION

### 1.0 Purpose of the report:

1.1 To consider the development of an agreed syllabus for Religious Education in Blackpool.

### 2.0 Recommendation(s):

2.1 To note the development of the Lancashire Agreed Syllabus.

2.2 To consider future actions for an Agreed Syllabus for Blackpool from the options listed in Paragraph 5.3.

2.3 To consider the RE Network's recommendation to use the Lancashire Agreed Syllabus for Religious Education.

### 3.0 Reasons for recommendation(s):

3.1 It is a statutory requirement for every Local Authority to have in place an agreed syllabus and as the current syllabus has expired.

3.2a Is the recommendation contrary to a plan or strategy adopted or approved by the Council? No

3.2b Is the recommendation in accordance with the Council's approved budget? Yes

3.3 Other alternative options to be considered:

Alternative options are outlined in Paragraph 5.3.

#### **4.0 Council Priority:**

4.1 The relevant Council Priority is: "Communities: Creating stronger communities and increasing resilience"

#### **5.0 Background Information**

5.1 Blackpool Council has for the past 5 years has had an Agreed Syllabus produced in 2010 in conjunction with Lancashire County Council. This has now expired and given all authorities must have in place an agreed syllabus it is necessary to consider options as to how proceed.

5.2 Lancashire County Council has already agreed through its SACRE meeting to write a new syllabus. It is intended that this syllabus would in a general terms reflect the current syllabus with some minor updates. The syllabus would be available for sale including resources as a Service Level Agreement by Lancashire County Council and a reduced price has been offered.

5.3 The SACRE is requested to consider its preferred course of action whether to adopt the Lancashire County Council Agreed Syllabus once completed, to write its own agreed syllabus for Religious Education or to agree to purchase or share an agreed syllabus with another authority. The SACRE may equally wish to defer any consideration until it has had a chance to review the proposed syllabus or to request that members of the Blackpool SACRE or officers are involved in the creation of the Lancashire Agreed Syllabus for Religious Education.

5.4 The local Religious Education Network for Blackpool has been consulted and its preferred option is to adopt the same syllabus as Lancashire County Council. This would allow a level of continuity and cooperation across the two authorities.

### **4.0 Council Priority:**

4.1 The relevant Council Priority is: "Communities: Creating stronger communities and increasing resilience"

**5.0 Background Information**

5.1 Blackpool Council in line with all Councils with responsibility for education is required by statute to have a Standing Advisory Council on Religious Education with a membership of Councillors, staff representatives and faith representatives. This body agrees the syllabus for religious education within community schools for Blackpool and offers guidance for those schools on ensuring participation and attainment in religious education within community schools.

5.2 At the last meeting of the SACRE it was agreed that the SACRE would investigate the possibility of a merger or joint working with the Lancashire SACRE. Since that meeting the National Association of SACRE's has issued advice that it considers that best practice is reflected by continuing local SACRE's and that it is not in favour of joint . It is therefore recommended that the Blackpool SACRE continues to meet but maximises opportunities to work collectively with other SACRE's.

5.3 The SACRE has continued to have a number of vacancies and it is suggested that the clerk be authorised to seek nominations from the relevant groups to fill the vacancies. Further to this it is proposed separately on this agenda for the SACRE to agree future meeting dates.

5.4 Does the information submitted include any exempt information? No
