**5.0 Background Information**

5.1 It is a requirement of best practice that SACRE's produce an annual report. In view of the lack of meetings and business of the SACRE over the last few years- this has not taken place. The annual reports for 2015/16 and 2016/17 were completed and submitted in a very basic manner by the clerk and it is considered to be quite out of date.

5.2 Following the meeting on the 7 November 2018, a small sub-group was appointed by the SACRE to draft an annual report. That report has been the first one completed with a full range of information for some time. The SACRE should now approved this report for publication and forwarding onto the National Association of SACREs.
