FINANCIAL PERFORMANCE MONITORING AS AT MONTH 7 2022/23 AND MEDIUM TERM FINANCIAL PLAN 2023/24 – 2026/27

1.0 Purpose of the report:

1.1 To report the level of spending and exposure against the Council's Revenue budgets and reserves and balances for the first 7 months to 31 October 2022. The report also includes an update on the Medium Term Financial Plan 2023/24 – 2026/27.

2.0 Recommendation(s):

2.1 To note the report.

2.2 To require the respective directors and Director of Resources to continue to closely monitor and manage service financial and operational performances, specifically Children's Services, Adult Services, Growth and Prosperity and Strategic Leisure Assets.

2.3 To prompt the Scrutiny Leadership Board to continue to independently review the financial and operational performances of the services listed in 2.2.

2.4 To continue to lobby central government (Department for Levelling Up, Housing and Communities, Department for Health and Social Care and Department for Education in particular) along with local authority peers and networks and the Local Government Association for the funding necessary to cope with the burdens and demands presenting as a result of exceptional inflationary pressures and demographic demands upon statutory services.

2.5 To continue to work towards increased target working balances of £8m from £6m with formal effect from the start of financial year 2023/24.

3.0 Reasons for recommendation(s):

3.1 To ensure financial performance against the Council’s Revenue Budget and its reserves and balances is kept under timely review by members.

The Council’s Revenue Budget for 2022/23 set a target level of General Fund working balances of around £6m. However, given the current economic climate it is recommended that this is increased to £8.0m from 2023/24 as part of the setting by the Council of the Revenue Budget for 2023/24 as this would represent of 5% of the net requirement.

4.0 Other alternative options to be considered:

19.0 Summary of Discussion:

19.1 Mr Steve Thompson, Director of Resources, presented the report to the Executive and in doing so highlighted the continued moderate improvement since the month 5 Financial Performance Monitoring had been reported at the 7 November 2022 Executive meeting. Mr Thompson emphasised the continuing challenges caused by cost pressures to the Revenue Budget including energy costs, and pay and non-pay inflation. Mr Thompson highlighted that Blackpool was by no means unique and again drew members' attention to the submission to government by the Local Government Association on these issues.

In terms of the change to levels of reserves, Mr Thompson reminded members that this increase was considered reasonable as it reflected 5% of the net requirement. The Executive again noted the key role that working balances and ear-marked reserves had played in protecting the Council's financial position from the impact of global issues.

20.0 Executive decision:

20.1 The Executive agreed the recommendation as outlined above namely:

1. To note the report.
2. To require the respective directors and Director of Resources to continue to closely monitor and manage service financial and operational performances, specifically Children's Services, Adult Services, Growth and Prosperity and Strategic Leisure Assets.
3. To prompt the Scrutiny Leadership Board to continue to independently review the financial and operational performances of the services listed in resolution 2.
4. To continue to lobby central government (Department for Levelling Up, Housing and Communities, Department for Health and Social Care and Department for Education in particular) along with local authority peers and networks and the Local Government Association for the funding necessary to cope with the burdens and demands presenting as a result of exceptional inflationary pressures and demographic demands upon statutory services.
