Minus 1 Conservative to achieve political balance

Conservative	32	34	34	Con -1
	103	103	103	

Note 3

Stage 3 overrides Stage 4. Therefore there has to be changes to the stage 4 allocations to align with the allocations produced by stage 3.(Council also agreed at Annual Meeting in May 2019, to have a Scrutiny Leadership Board which was not politically balanced and Labour do not have a majority on this committee). The seat allocation has been adjusted accordingly so a revised stage 4 balances with stage 3.
If the Council wishes to allocate seats **other** than reflects the revised stage 4 allocation per group, this would require a resolution of Council, which no member votes against.

Note 4

The Licensing Committee does not fall under these statutory rules and has therefore not been included in the political balance calculations
However, it is recommended that the composition of the Licensing Committee be also reflective of the political balance of the Council which continues to equate to a committee of 12: 8 Labour, 4 Conservative.

Note 5

The Public Protection Sub-Committee **does not** derive its responsibility from the Licensing Act 2003 and **is** therefore part of the aggregate political balance calculations.
