D.L had brought a solicitor's letter for the Sub-Committee, the letter outlined that the Solicitor had applied for an out of court disposal as well as a solicitor's letter D.L had brought some photos showing damage to their face as a result of the assault.

The Sub-Committee questioned how D.L had received a Police Caution if they were assaulted, D.L explained that the tenant called the police about the altercation but D.L had feared reprisal if they did not accepted the caution.

The Sub-Committee had no further questions and considered the letter, pictures and the explanation offered by D.L and accepted the explanation given with the evidence brought before them, and had decided that D.L presented themselves well and demonstrated themselves to be a fit and proper person, the Sub-Committee chose to depart from its policy and grant the Licence.

Resolved:

C.P.J.S

Mr Ryan Ratcliffe, Licensing Enforcement Officer presented the case on behalf of the local authority, C.P.J.S, an existing Private Hire Licence holder notified the Licensing Service that on the 12 September 2023, that they had received 6 penalty points and a fine on 2 September 2023 for use of a handheld mobile phone/device while driving a motor vehicle on a road. The Licensing Service conducted a DVLA check on the 16 October 2023, which had confirmed that C.P.J.S had been convicted for a breach of requirements as to control of the vehicle whilst using a mobile phone and received 6 penalty points.

Mr Ratcliffe drew the Sub-Committees attention to relevant Hackney Carriage and Private Hire Licensing Policy, which stated the following in relation to using a handheld device while driving "a licence will not be granted until at least five years have elapsed since the conviction or completion of any sentence or driving ban imposed"

Mr Ratcliffe informed the Sub-Committee C.P.J.S did notify the licensing authority in a timely manner and that they had no prior offences on record however C.P.J.S had only held a licence as a Private Hire Driver since August 2023 and is a relatively inexperienced driver having only held a UK driving licence since October 2020.

C.P.J.S had been unable to be present before the Sub-Committee but had submitted a written representation, the Sub-Committee chose to consider the case in C.P.J.S's absence.

The Sub-Committee felt reassured that Y.S.M.C did not use their phone whilst operating the Horse Drawn Hackney Carriage and decided that given the incident had happened in isolation, the Sub-Committee considered the issuing of a warning letter as to further conduct as the correct action. The Sub-Committee agreed that notwithstanding this singular incident Y.S.M.C remained a suitable person to hold such a licence.
